COMEDY FLAVORS COMEDY SHOWCASE

Produced by Angel Harper

Angel Harper was named one of the top 100 Latino Comics in 1997. A very ironic honor to her obvious African-American appearance. She is originally from Harlem, in New York City. Her mother was born in Havana Cuba and raised in Kingston, Jamaica. Her father is from Hookerton, North Carolina. She enjoys her ethnic mix and shares the humor of her heritage with her audience.
